[ME x WD Technical Hoody](#)

Whitedot are pleased to announce a collaborative project with British mountaineering brand Mountain Equipment, to produce a technical mid-layer that is specifically engineered for all day skiing and ski mountaineering.

- Pontetorto® Technostretch fleece for warmth and minimal bulk
- Lightweight Pontetorto® Technostretch fleece panels in key areas
- Polygiene® anti-microbial technology
- Active fit with longer length to tuck into ski pants
- Close fitting Lycra® bound hood and offset closure
- Flatlocked seams throughout for next-to-skin comfort
- Inside Napoleon pocket with mesh back
- Seam-free hips for comfort with a harness or rucksack
- Liftpass pocket on left sleeve
- Lightweight Pontetorto® Technostretch thumb holes
